

STREAMLINED

reinventing customizable software

Problem

Manual employee scheduling is time consuming and **unreliable**

Custom employee scheduling software **is expensive**

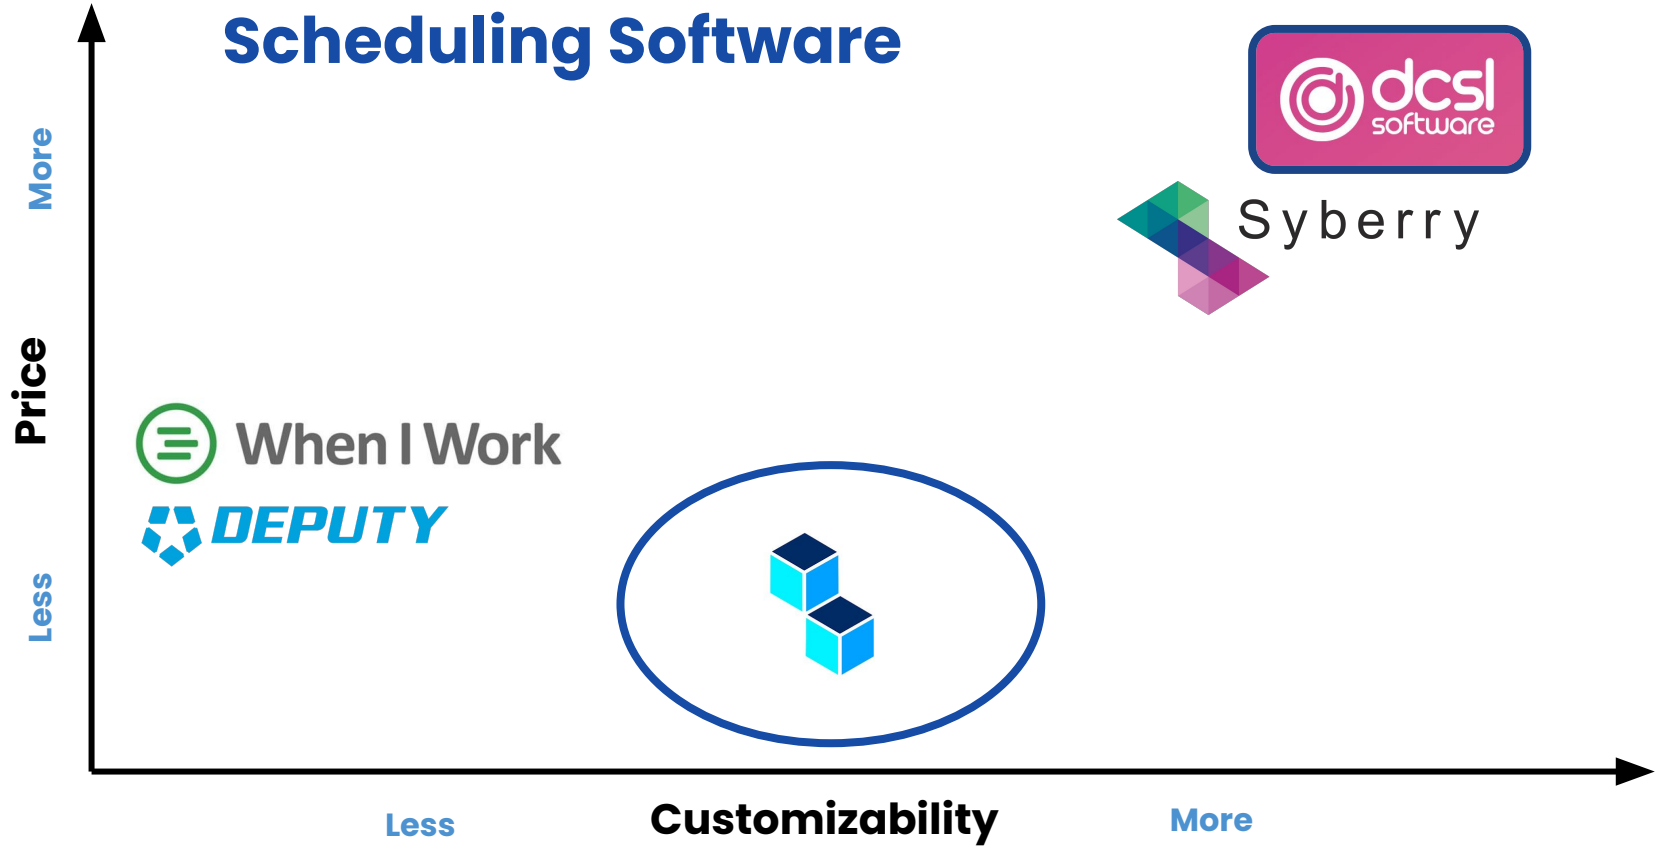

Pre-made employee scheduling software **is not customizable**

Scheduling Software

Scheduling Software

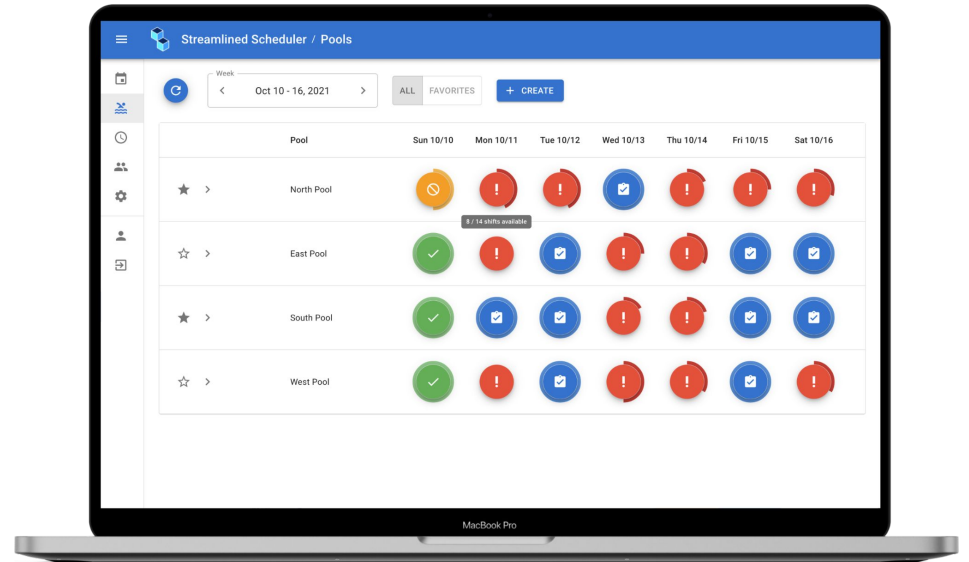

Solution

Streamlined:

**Affordable,
semi-customizable software**

Designed specifically for small-medium sized
businesses

Value Proposition

Preferred based software for aquatic professionals

Adjustable based off of **preferences**

Get your own **branding**

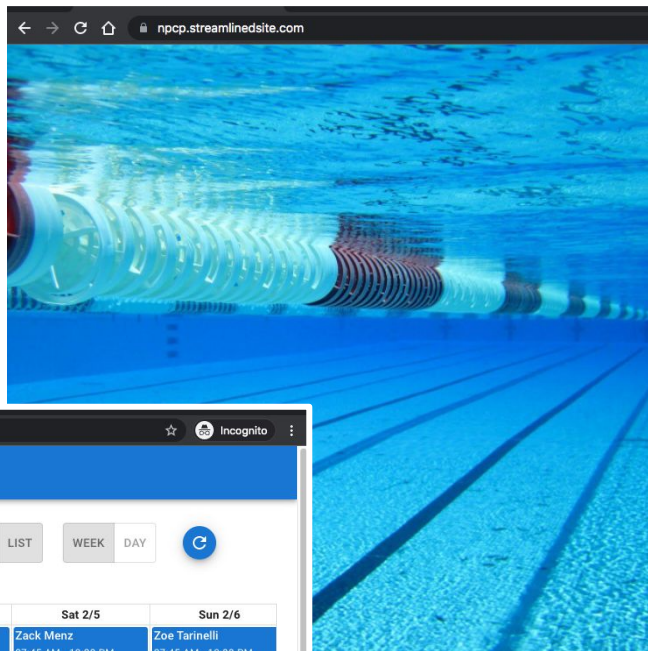

Intuitive and powerful

Affordable customization
